

## EGLS Philosophies

We believe that a bilingual education is one of the greatest gifts you can give your child.

Studies show that learning a second language in childhood has long lasting cognitive benefits.

With an immersion program, our students learn German naturally through play, reading, music and movement, singing, creative activities and stories. We celebrate traditional German holidays such as Martinstag, Nikolaustag, Weihnachten, Fasching and Maifest.

Our teachers are native German speakers with early childhood education experience.

The Preschool at EGLS is located at the Community Church of Issaquah, two blocks from downtown Issaquah and with convenient access to I-90.

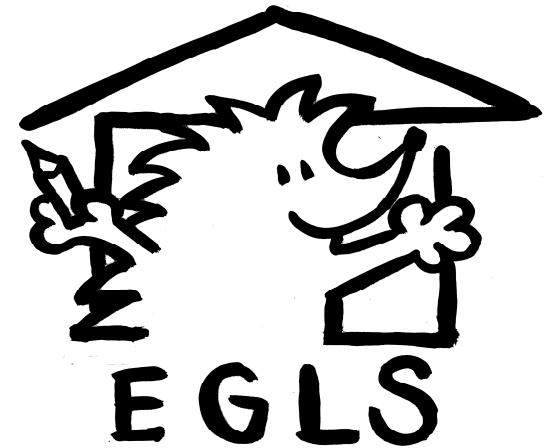

Through furnishings, décor and teaching aids, the self-contained teaching space brings a bit of German culture to Issaquah. The students have year-round access to an enclosed play space, that we share with the Issaquah Coop Preschool.

# German Preschool Program

# Daily Activities

## Themes

Daily activities are based upon themes that follow the seasons, cultural events, and topical events in their lives.

## Free Play

Children choose from a variety of fun and educational activities to start their day with their classmates.

## Circle Time

Together, the children learn about the current theme, sing songs, and talk about the weather and calendar.

## Snack Time and Lunch

For both snack and lunch, the children learn to work as a team. They set the table, set out food and drink, and clean up. They socialize in German, practice repetitive phrases such as "Bitte" and "Danke" and learn food and dining vocabulary.

## Project Time

The children work on the themed lesson of the day. Developmentally age appropriate projects emphasize the process of learning and not just the outcome.

## Outside Time

Rain or shine, the children enjoy fresh air and go outside to play, including supervised free play on the playground or more organized activities. A perfect time to work on gross motor skills, cooperation, and socialization.
