

EGLS PayPal Subscriptions for 2018/2019

Dear Parents,

This year we continue the tuition payment option we made available in the past: through **PayPal Subscriptions** you can create a monthly payment schedule for your EGLS tuition. This payment option is available only for returning families.

The payments will begin in August and end in April. Tuition will be divided into **9 equal monthly payments** (see tables below). You will need to set up the subscription with your credit card, which will be charged automatically every month on the day you choose to subscribe. We will send you an email in July with directions on how to set up your account should you choose this option on the registration form. Internet access and a personal email are required.

We want you to know that EGLS incurs additional cost and administration efforts for this payment option. But we hope that this will make it much easier for some to become or remain an active EGLS member throughout the new school year!

EGLS Board
